Revolutionary fire of the future  
PANORAMIC FX1 WOOD BURNING

[www.futurefires.co.uk](http://www.futurefires.co.uk)

Futurefires presents a revolutionary design to the world of wood burning stoves- Panoramic FX1.

Panoramic FX1 with its advanced clean-burning technology is a traditional, clean and efficient way of burning fuel which can provide an effective source of heat. It can burn for longer and also comes with an optional multi-fuel conversion grate. Our stoves are easy to operate, clean and can be left burning for several hours before refuelling.

With a captivating and aesthetic design that will not only warm your space effectively but also becomes the centre of attraction of your living room. The elegant elliptical stove design with its extra large viewing window will suit all spaces and stuns from all angles and gives the appearance of a large open fire. And more interestingly, you can select the colour scheme of the front panels to match your decorations and furnishings.

We have designed Panoramic FX1 focussing on it being environment friendly. Our wood burning stoves come with an Airwash system that helps you take much less time when cleaning the stove. The Airwash technology stops the glass from getting tarred so the glass will stay clean even after many hours of usage.

We at Futurefires manufacture wood burning stoves by hand in the UK at our South Yorkshire factory. We make prompt deliveries on the date specified and will inform you prior for delays during peak seasons.

For the most contemporary and stunning wood burning stove on the market contact us now!!

# WELCOME TO BRACKEN MOOR

Hello and welcome to this return FA Cup fixture. At halftime on Saturday, the game looked all but over, however a spirited fight back from Prestwich, with two goals in the last ten minutes, saw the game end in a deserved draw and a replay this evening.

The Manchester club currently reside in fourth place in the North West Counties Premier Division having only lost one game in all competitions since the start of season. One to watch for Prestwich is midfielder Connor Berry who has continued his impressive scoring record this season, with six goals in seven appearances. This comes after scoring seventeen in eighteen appearances for his previous club.

This fixture means that the away game at Carlton Town has been postponed with the rearranged date to be confirmed.

On the home front we are pleased to announce the signing Zack Reynolds from AFC Rushden and Diamonds, a very versatile player being able to play in several positions on either the left or right side. Zack brings a wealth of experience having made over 290 appearances in the Southern Leagues (don't worry we'll give him a few pies with some Hendo's and he'll soon be calling everyone luv!).

After ninety minutes should the game end in a draw, there will be the usual period of extra time and if still all square then the dreaded penalty shootout.

Either way whatever the result, we hope you enjoy your time at Bracken Moor and have a safe Journey home.

Cheers

ED

## NEXT HOME GAME

SATURDAY 27<sup>TH</sup> AUGUST. KICK OFF 3:00PM

STOCKTON TOWN

## CHAIRMAN'S WELCOME:

Good evening and welcome to our visitors from Prestwich Heys FC. We hope you enjoy our facilities at Bracken Moor.

Saturday's game turned into an exciting encounter with both sides having chances to win the game right up until the final whistle. Saturdays draw takes our unbeaten run to four games and hopefully we can continue this and add another victory tonight to progress to the next round of the FA cup.

Unfortunately, once again last week, our volunteers arrived at the ground to find mindless act of vandalism with damage to our dugouts in the main ground and broken glass, cans and fire residue on the pitch over the road where our training pitches are. All this damage puts extra work on our already stretched small group of volunteers, not to mention extra costs we can do without at this time. If anyone has any information about this, then please contact the club.

On a positive note, we are receiving many positive comments about the current squad and the performances on the field since the start of the season. Thank you all for your support, enjoy the game and have a safe journey home.

Graham Furness

Chairman

## STEELS NEED A REPLAY IN FA CUP!

MATCH REPORT BY ADAM ALLCROFT

Stocksbridge Park Steels will have to do it again after a late comeback denied them a win against Prestwich Heys in the FA Cup. The Steels took the lead in the first half when Luke Rawson had the ball go in off his back and into the back of the net. They doubled the lead when Rawson stabbed home from close range. Kaiden Barlow headed in to get Prestwich back into the game before they equalised through Tyler James in the 90th minute.

Prestwich got off to the better start in the game and could have easily taken the lead. Dylan Fitzgerald gathered the ball on the left wing before breaking into the box and shooting. Harrison Davison-Hale saved well from this shot but the ball fell right to Mitch Bryant who had the goal at his mercy. Somehow, he steered the ball wide from a great position and Stocksbridge were given a massive let off.

Stocksbridge were able to hold on and they were able to take the lead. Kurtis Turner earned a free kick close to the by-line after being hauled in and Tomas Poole stepped up the whip in the free kick. Gareth Curtis got onto the end of it, but it was when it bounced off the back of Rawson's neck that it beat the goalkeeper and went into the back of the net. The Steels would double their lead before the break. Turner found Jack Tinker with a great ball before the full-back put a fantastic cross into the six-yard box. Rawson was there to knock it in from close range for a goal that wouldn't need to go in front of the dubious goal committee. This meant the Steels had a two-goal lead going into the break.

In the second half, Prestwich pressed as they looked to get back into the game and force a replay or maybe even more. After one corner, Davison-Hale was forced to make two impressive saves from close range which kept his clean sheet intact for the time. Substitute James also flashed a shot wide when he broke through after a good ball. Prestwich would then get their goal back. They got the ball down the left hand side and Kaiden Barlow was able to head it into at the near post to set up a grandstand finish. Prestwich's momentum continued and they got an equaliser which they were good value for. They earned a free kick on the right side after a Turner foul and the ball went in for James completely unmarked to head in and get what would be the equaliser.

Stocksbridge were so close to ruining the Prestwich party though. After a set piece had been cleared to the wing, Lewis Macaskill switched the play over Jordan Lemon on the right-hand side. He put in a killer cross and Oglesby headed it into the bar, putting Prestwich hearts in mouths for a moment. Unfortunately, there'd be no winner for Stocksbridge, and this game will be replayed on Tuesday night.

# FA CUP FUN FACTS AND QUIZ!

## FA CUP FACTS

1. Spurs is the only non-league team to have won the FA Cup. They won it in 1901, and then 60 years later they became the first team to win the league and cup double.
2. The highest score line in the final is 6-0, when Derby County was beaten by Bury in 1903.
3. The longest FA Cup tie lasted five games. This incredibly long game was finally ended when Bury beat Stoke in the 4<sup>th</sup> replay in 1954. Talk about exhausting!
4. The fastest goal scored in the FA Cup final was 42 seconds. This amazing goal was scored by Roberto Di Matteo, who played for Chelsea, and later managed them to a Champions League title.
5. The first player to be sent off in the FA Cup final was Kevin Moran of Manchester United in 1985 in the match against Everton.
6. Arsenal has lost 6-0 three times in the FA Cup. The first was against Sunderland in 1883, the second against Derby in 1889, and the third against West Ham in 1946.
7. West Brom was the first team to win the FA Cup with a completely English-born team in 1888.
8. Blackburn had an amazing run of 24 consecutive games in which they were undefeated during the FA Cup between the years 1884 and 1886.

## FA CUP QUIZ

1. Which football club has won the FA Cup most times?
2. On which ground was the first ever FA Cup final played? And which team beat the Royal Engineers 1-0 to win this 1872 final?
3. Name the only team based outside England to have won the Cup?
4. Can you name the first overseas manager to win the FA Cup?
5. Can you name the youngest player to score in an FA Cup final?
6. Name the only team to win the Cup and then get relegated in the same season?
7. The first and last verses of which Christian hymn are traditionally sung at the FA Cup Final about 15 minutes before kick-off?
8. Which player has won the FA Cup the most times? And how many FA Cup winner's medals does this player have?
9. Who are the current holders of the FA Cup?
10. Who knocked Stocksbridge Park Steels out of the cup in 2021/22?

# THE LATEST COLUMN FROM THE NON-LEAGUE PAPER

IT'S fair to say the 2020s has not been too kind a decade of football clubs thus far. First, of course, there was the curse of the Covid pandemic, which kicked in within three months of the decade starting and ended up curtailing back-to-back seasons from Step 2 and below, right up until the start of the 2021-22 campaign.

Just when we thought all was well with the world again, we then get hit with the next crisis to engulf society and put our Non-League clubs at threat once again.

As energy and fuel bills soar to unprecedented levels, clubs, fans and the game as a whole have been left feeling the pinch. The question is 'what can we do about it'?

In his column in this week's NLP, Northern Premier League chairman Mark Harris acknowledged the extent of the problem and the lengths that league chiefs have gone to cut down costs.

Harris told us that a recent report revealed that around 2,600 grass roots football clubs folded as a result of Covid with a further 6,000 across the UK in grave danger of following suit if we do not address the situation swiftly.

Household energy bills increased by a record 54 per cent in April and are likely to rise substantially again in October. One NPL club, previously paying 15p per kWh, now has to pay over 65p, taking their annual spend up to £100,000.

With that in mind, fellow Pitching In Trident league member, the Isthmian League, issued a statement earlier this month offering its 82 member clubs at Steps 3 and 4 the opportunity of bringing forward Saturday kick-off times from 3pm to 12.30pm in order to save on costs.

Chairman Nick Robinson explained: "In March, I went to a ground when things were just starting to go up and the clubs said to me 'our energy bills have gone up this amount - can you help us, can we kick off early?'

"I said not this season but we will work it for next season. I haven't forgotten it and everything has got worse since then.

"We've done some work as to how much floodlights actually cost, and we know in cup competitions we allow £75 to £85 for floodlights, but is that enough? It used to be.

"What it's going to be on the new energy costings, we don't know - but certainly for league matches if clubs can go to a 12:30 kick-off or even if they just come forward an hour or so, they can save themselves some money."

But it's not just energy costs which are hitting clubs in the pocket. Travel costs have also sky-rocketed to the point where coach travel is now a thing of the past for Non-League clubs. That leaves players having to pay for their own fuel and between 10-15 extra cars on the road for each away journey. Hardly ideal when it comes to protecting our environment, is it? To combat this, Harris revealed that coach travel expenses that clubs can claim for the FA Cup, FA Trophy and FA Vase have been increased by 20 per cent this year to ensure all fixtures are fulfilled. While slight tweaks such as changing kick-off times and increasing travelling expenses will make a difference in balancing the books, clubs and volunteers can also play their part. Creating a safe and comfortable environment amid the parameters of your stadium goes a long way and helps to enhance community engagement which in turn has an effect on your club's ability to generate secondary income from clubhouse/refreshments and merchandise etc.

But let's not start to panic just yet, however. Average attendance figures across Non-League remain as healthy as ever and there are no indications as yet that the cost of living crisis is preventing the average fan from clicking through the turnstiles.

It's the actions of the loyal supporter which are keeping Non-League club self-sustainable in comparison to their EFL counterparts and that's what makes football at this level unique.

We've united before and beaten off the effects of Covid, now we can do it again.

## STEELS GO FOR UMBRO

The double-diamond comes to Stocksbridge.

The Club can confirm that it has entered an initial one-year partnership which will see Umbro become Steels main kit supplier through DB Sports based in Sheffield. Umbro had provided kits for the many famous clubs but never Stocksbridge. Steels will don the distinctive double-diamond again beginning in the 2022/23 campaign, while Umbro will also supply the Steels with replica and training wear through DB Sports.

Umbro will also be the main kit supplier for the clubs other senior sides including our U18's

Roger Gissing, the clubs commercial manager, said: "We are delighted to partner with Umbro for the upcoming season and beyond.

"Umbro has excellent credentials having created high-quality kits for clubs all around the world. We are looking forward to showing our fans the eye-catching, bespoke design Umbro has produced for the club.

"We have high ambitions as a club, and we know that Umbro will be the perfect kit to support us in pursuit of our goals. Many thanks to Dave Barker from DB Sports who has supported our club for many years with our kit and using Umbro through his company is just the next step in our long term partnership".

# MEMBERS CLUB

To start 2022 the club are launching a brand new membership club. Stocksbridge Park Steels Members Club is an opportunity to support football club, and enjoy benefits during the whole year to help maintain a healthy and sustainable Football Club.

## HOW DOES THE SCHEME WORK?

When you become a SPS MEMBER, you will be offered exclusive benefits including:

- You receive an exclusive numbered membership card
- A unique members pin badge
- Entry into the Members Club Monthly Draw with CASH prizes (this is replacing the 50/50 draw)
- The opportunity to join Bracken Moor Sports and Social Club for Just £7.50 per year
- Special Discounts on all Stocksbridge Park Steels Merchandise
- Match day discounts and offers from the Café
- Discount on Stocksbridge Park Steels Season Tickets
- Exclusive offers during the year from our Partners
- Plus more to be announced

## HOW MUCH DOES IT COST?

To be a Stocksbridge Park Steels FC Member, is just an annual fee of £60, which includes 5 numbers each month for the members draw, payment can be made annually or by setting up a Standing Order paying Monthly, members that wish to have extra numbers in the draw can increase the payments pro rata.

For Example, if you wish to spend £10 per month you will have 10 numbers in the draw etc.

## WHAT HAPPENS TO THE PROCEEDS?

Obviously we use the proceeds to fund the cash prizes, and the surplus is put to good use and helps with the running costs of Stocksbridge Park Steels FC. Helping us maintain the facilities and status as South Yorkshires TOP Non-League Football Club, and providing a place the community can be proud of and feel part of the Steels family.

# ZACK REYNOLDS SIGNS FOR THE STEELS

Stocksbridge Park Steels have confirmed the signing of Zack Reynolds.

Reynolds is a 28-year-old full back who is also capable of playing in advanced positions as well. He'll add extra depth across several positions in the squad as well as add extra quality on matchdays.

This will be Reynolds first venture into the Northern Premier League but he does carry with him plenty of experience from the Southern League. He came through the Crawley Town academy before making the move to Aylesbury United where he made 97 appearances and scored 14 goals. He also played for Hemel Hempstead Town, Hampton & Richmond Borough, Arlesey Town, Dunstable Town and Chesham United.

Last season he was with AFC Rushden and Diamonds, the phoenix club which replaced the EFL side that were once in League One. This season, he makes the move north and has signed with the Steels.

We like to welcome Zack to the club and hope he has a successful time at Bracken Moor. If you would like to sponsor Zack please get in touch with the club.

# OUR VISITORS TODAY – PRESTWICH HEYS

FOUNDED: 1938

GROUND: Adie Moran Park

CURRENT LEAGUE POSITION: 4<sup>th</sup> (NWCFL Premier)

LAST SEASON'S FINISHING POSITION: 16<sup>th</sup> (NWCFL Premier)

The origins of Prestwich Heys A.F.C. can be traced back to February 9th, 1938, when a meeting was called at the Music Room of the Heys Road Boys School at which Elgar Lumsden put forward the idea of forming an Old Boys Association.

Attending that first meeting were Messrs Bridge, Stott, Foster, Taplin and Alan Proctor Bell, who was to become a central figure in the Club's history and whose progress he was to report on in the Prestwich Guide under the guise of 'Touchliner'.

Despite the onset of the Second World War a year later, the Association flourished under the Chairmanship of Bell, who also acted as Secretary of the football arm, known as Heys Old Boys AFC and was acknowledged as one of the region's best.

The team went on to win its first honours in 1943 in the Prestwich and Whitefield League with the Woodward Shield - a success which was repeated for the next three seasons.

The team gradually progressed through the Bury Amateur League and into the South East Lancashire League claiming Championships in 1960, 1961 and 1964. Under the guidance of Peter Gilmour in the sixties, Heys won the prestigious Lancashire Amateur Cup in 1967 followed by the one and only Lancashire Combination Grand Slam in the 1970/71 season with Heys bringing all four trophies available back to Grimshaws.

The club also changed its name in 1964 to Prestwich Heys AFC, an acknowledgement of the fame achieved by the club as they proved one of the nation's top amateur clubs.

Thousands flocked to see Heys play, and beat, the likes of Sutton United, Ferryhill Athletic, Finchley and Highgate United in the FA Amateur Cup with the clubs best run taking Heys to the last 16. The victory over Sutton United in 1969 ranks as one of Heys most famous moments, attracting nationwide coverage, coming a week before their opponents were due to meet Leeds United in the FA Cup.

These were heady days but with the seventies came the onslaught of professionalism and the club struggled to maintain its winning ways. After claiming the Manchester Amateur Cup in 1972, the trophy cabinet remained bare as Heys negotiated the gradual restructuring of semi-professional football, moving from the Cheshire County League into the newly formed North West Counties League in 1982.

# OUR VISITORS TODAY – PRESTWICH HEYS

Ground grading problems saw the club drop into the Manchester Football League in 1986 but the club went on to gain its first trophy for over a decade when the First Division title was claimed in 1988.

1991 saw Heys relocate from their Grimshaws home on Heys Road for a new base at Sandgate Road, just over the border in Whitefield.

After relegation in 1996, the club bounced back with the Manchester League double of First Division Championship and Murray Shield built on the back of a record 19 league wins from the start of the season.

After finishing runners-up to champions Royton Town in the 2003/04 season, the 2004/05 season saw Heys finally take the major prize of their first Manchester League Premier Division title. They followed this up by retaining their crown the following season with a 2-0 victory in their penultimate game of the season at Hindsford.

In 2006/07, Heys made it a hat-trick of Premier Division titles and also lifted the Goldline Trophy after defeating Charnock Richard on penalties at the Reebok Stadium. (left)

However, on the Eve of the 2007-08 season tragedy struck when Chairman and Manager Adie Moran died whilst on holiday in Sri Lanka at the age of 43. It stunned the football community and left Heys reeling.

Indeed, the following four years were marked by decline and successive relegation battles before, in 2011, Heys turned to former player Jon Lyons, who had played under Moran to resurrect their fortunes. Bottom of the table they collected 25 points from the last fifteen games to again stave off relegation.

Heys continued to make steady progress re-establishing themselves amongst the area's leading clubs culminating in a glorious record breaking 2015-16 season, the most successful season in the club's history.

A first team treble and Reserve team double brought five trophies to the club, capped by achieving the long-held dream of a return to the North West Counties League after a 30-year absence.

Heys won the Manchester League Premier Division by 13 points. More glory followed. The Bolton Hospital Cup was secured with a 1-0 at the Macron Stadium over Atherton Collieries.

Then, despite a weary performance, the League and Cup double was secured with a 1-0 win over Manchester Gregorians in the Gilgryst Cup Final.

The 2016-17 season saw Heys take their place in the North West Counties League. For a long time, it looked as if promotion was possible, but a crippling fixture list and mounting injuries saw Lyons side ultimately finish eighth.

# OUR VISITORS TODAY – PRESTWICH HEYS

2017-18 however saw the club win their first ever honour at semi-professional level as the LWC Drinks 1<sup>st</sup> Division Cup was won with a thrilling 2-1 win over Cammell Laird in the Final. This compensated for missing out on the main aim of promotion as defeat in the play-off semi-final to Cammell Laird ended their hopes of making the step up.

Jon Lyons resigned as Manager in November 2019 handing over the reins to his recently appointed Assistant, Matt Barnes. The Coronavirus pandemic then intervened with the 2019/20 and 2020/21 seasons curtailed.

However, Heys results in those two years were rewarded when in a FA restructure of the Non-League pyramid they were promoted to the North West Counties League Premier Division due to having one of the best points per game ratios. Playing at the highest level at which the club has ever played Heys finished 16<sup>th</sup> last season.

During the Summer, Heys parted ways with Barnes and former Youth team player Lee O'Brien came in with James Hampson as Joint Managers. With a new 100 seat stand in place it signals a fresh start at Adie Moran Park going into 2022/23.

The  
*Daniel Wilkinson*  
Foundation

*Providing Screening and Defibrillators to  
prevent Sudden Cardiac Death in the young*

**The Daniel Wilkinson Foundation is a charity set up in memory of Daniel Wilkinson who died in 2016 aged 24, while playing the game he loved, from an underlying heart condition called Arrhythmogenic Right Ventricular Cardiomyopathy (ARVC).**

Dan played football from an early age and joined Hull City AFC when he was 10, earning a professional contract aged 18. Loughborough University followed where he completed a degree in Accounting and Financial Management while playing non-league football. He was an athlete who enjoyed the gym and took his health and nutrition very seriously. He lived life to the full and had so much ahead of him.

**Other than feeling light-headed on a few occasions in the month before he died, he had no symptoms!**

## SUDDEN CARDIAC DEATH IN THE YOUNG (SCD)

- SCD is the leading cause of death in young athletes during sport and the majority of deaths occur with NO SYMPTOMS or family history.
- ARVC can be found in one in every 1,000 to 5,000 young adults - IF IT IS LOOKED FOR.
- Warning signs may include light-headedness, fainting, palpitations, swollen legs, breathlessness.
- Every week in the UK, 12 apparently fit and healthy young people (aged 35 and under) die from previously undiagnosed heart conditions.
- In Italy, where screening is mandatory for all young people engaged in organised sport, they have reduced the incidence of young sudden cardiac death by 89%.

## OUR MISSION

The Daniel Wilkinson Foundation has been set up to raise awareness of SCD and to provide funding towards heart screening, defibrillators and CPR/defibrillator training primarily for grass-roots sporting teams.

**Tragedies can be prevented through cardiac screening. It is vital that young people are identified and treated.**

## Raising Awareness Saves Young Lives

### Cardiac Risk in the Young

Every week in the UK at least 12 young people die of undiagnosed heart conditions. Cardiac Risk in the Young (CRY) aims to reduce the frequency of young sudden cardiac death (YSCD). CRY supports young people diagnosed with potentially life-threatening cardiac conditions and offers bereavement support to families affected by YSCD. CRY promotes and develops heart screening programmes and funds medical research. CRY publishes and distributes medical information written by leading cardiologists for the general public. CRY funds fast track referral, screening and cardiac pathology services at leading UK hospitals.
